## Alila Villas Uluwatu, Bali

Poised on an elevated plateau that meets with limestone cliffs sweeping down to the ocean, the view from the Alila Villas Uluwatu is nothing less than picture-perfect. Here contemporary Bali-inspired living design seamlessly integrates with personal journeys of cultural richness, continuing the Alila tradition of a total destination experience that is serene, sensual, and surprisingly different. Re-discover the joy of pure relaxation in unparalleled comfort and space, with a personal butler to take care of your every whim. Indulge all your senses – in the culinary delights of the signature fine-dining and traditional warung-style restaurants, the spectacular cliff-top pool and bar, or in the sanctuary of Spa Alila. Surrender yourself to the enchantment of Bali's beauty and serenity in the luxury of flawless perfection. Alila Villas Uluwatu's 84 pool villas are all about private space, incredible comfort and views. Gorgeous interiors blend contemporary style with accents of Bali. The open-plan design, unique flat lava rock roofs and bamboo ceiling allow the gentle sea breeze to flow in freely, while from the bed to the bathtub, every view is open to the outdoors. An indoor and outdoor rain shower and jet shower, luxurious Ploh bed linens, and separate His and Hers bathroom amenities are just some of the indulgent pleasures. But none more so than lazing in your private pool and cabana looking out toward the Indian Ocean.
