The Club At The Legian - Seminyak Beach, Bali

Here on the Balinese shores of Seminyak Beach, home to sun, sea and serious surf, location is not everything. This prime stretch of golden sand adjacent to the island's chicest shops and Asia's most stylish nightlife is merely the irresistible beginning of what sets this iconic sanctuary in the sand apart from Bali's pack. Against a backdrop of enduring modern architecture and swaying coconut palms, stunning sunsets enhance memories made inside all 68 understated guestrooms and suites perched along the Indian Ocean. The Legian Bali's 67 suites offer guests the finer pleasures of resort living, with spacious bedrooms, bathrooms, separate living areas and private balconies.

The Club at The Legian Bali next door features 16 luxury villas with private pools, set in scented gardens. There's also a Club Lounge and butler service. Sixteen One-Bedroom Villas in individual compounds, each with its own private 10-metre swimming pool, provide the ultimate in holiday luxury with the added indulgence of private butler service for each villa.

The villa, set in a tastefully designed enclave adjacent to the main hotel property is surrounded by a wide, teak-floored veranda and flanked by water features. Individual door panels slide open along the villa walls, providing flexible access configurations for each area of the villa where sections are divided by tasteful furnishings and pillars, creating an open and well ventilated environment. The bathroom alone sets new standards for indulgent recreation, with the bath set into an ornamental pond, accessible by a wooden walkway and surrounded by water plants and flowers.

All Pool Villas are equipped with a private massage suite, a sauna, a cold plunge, a semi-outdoor rainforest shower and bathtub.
